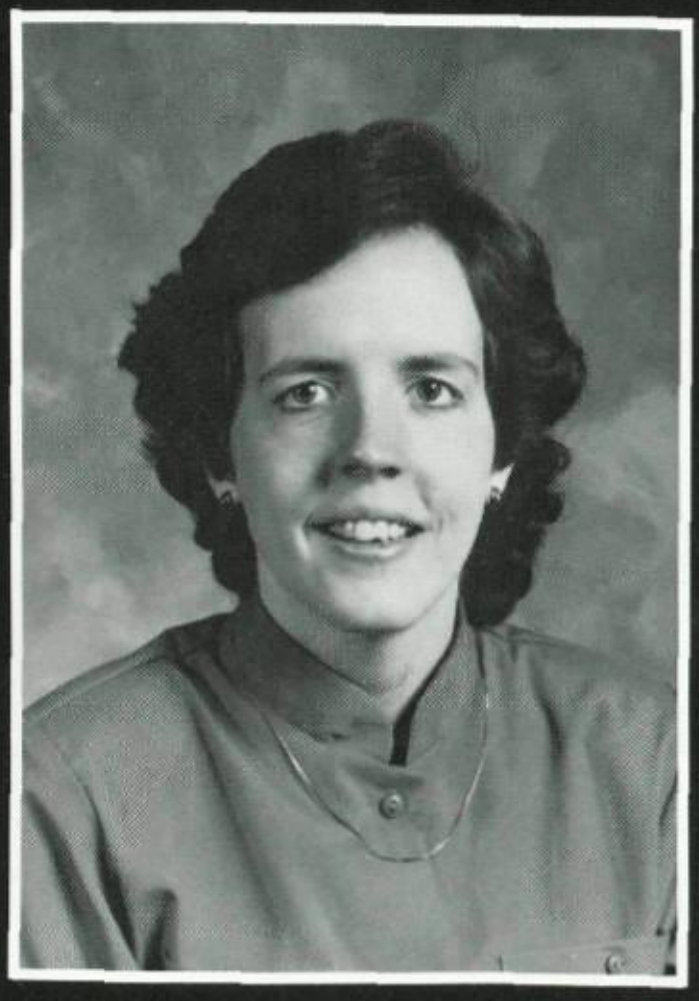
Community

Baptist School

1620 Wadhams Road

Port Huron, Michigan



Thank you for your patience,
And for the time you've spent.
Thank you for your dedication,
And that extra mile you went.

Thank you for the godly example,
You set for us each day.
Your investment in our lives
Is something we can't repay.

Thank you so much for your care —
We see it in all you do.
You've been more than just a teacher,
You have been our friend, too.

These are all the things
We've thought but never said
In thanks we dedicate our yearbook
To you — Miss Eveningred!

We Dedicate The 1988 Retrospect To Miss Eveningred

Administration

Pastor Andy Edwards

I can do all things through Christ which strengtheneth me.

Pastor Edwards came to Community Baptist in December, 1986. He was called to preach during his career of engineering with the Department of Defense. He and his wife, Joann, have three children: Andy, Dwayne, and Hope. His son Andy, is a pastor in Ohio.

We look forward to many years of serving Him under Pastor Edwards leadership.

Mr. Wettstein
Principal

Mr. Wettstein joins our staff this year as the new administrator of the school. He and his family moved to Port Huron from Millville, New Jersy where they attended Maranatha Baptist Church. Besides his work with the administration, Mr. Wetstin coaches soccer and basketball and teaches Bible class and elementary p.e. His wife, Linda, is the church secretary and the typing teacher. The Wetsteins have been a great asset to our school this year, and their work is greatly appreciated.

And this is life eternal, that they might know thee the only true God, and Jesus Christ, whom thou hast sent.

Chapel

Pastor Jim Olah

Pastor Bob Loggans and family

Chapel is held for high school students twice each week. The students enjoy hearing messages from guest speakers as well as our own faculty and administration. It is a special time for learning and applying the Christian principles taught from Gods Word.

Choir And Band

Senior Trip

All of the work finally paid off and the seniors were able to spend their hard earned money for their senior trip May 13-20th. They spent 4 days in Boston and 2 days in New York City. Everyone had a great time goofing off and getting to know each other better. Below are pictures from Boston and Cape Cod.

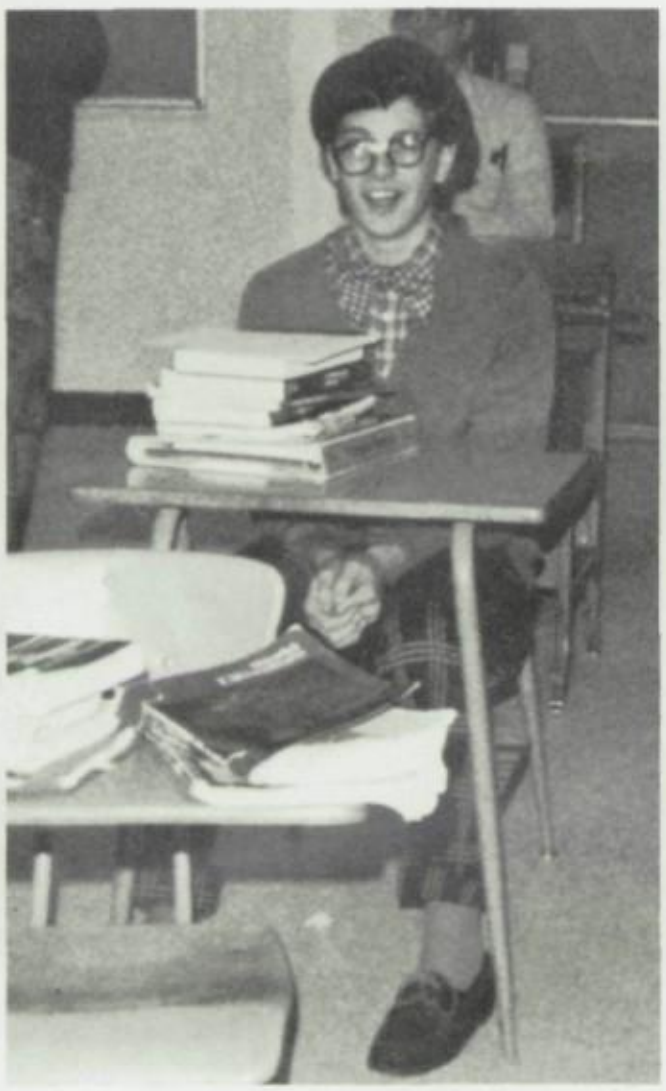
SPIRIT WEEK '88



Spirit Week was a big success this year. All of the students had a great time dressing up and showing their spirit at the daily pep assemblies. Our favorite days were 50's day and Nerd day. Other activities of the week included class cheers, skits, and the float contest. Congratulations to the 7th grade and the Juniors on winning the spirit banners!

We are the Seniors, we're big, bad, and Tough!

WE are the Seniors, we think that's enough.

And it was, we made it! We stuck together, and pulled through. The year of emancipation is here. Lets keep the memories flowing. As everyone tells us, "High School was the best years of your life."

P.S. I think I can say it for all of us, "we love you, teacher!"

Love,
J.R.
